Sahawas Bahuddeshiya Sanstha, Jalgaon

Mr. Samadhan Sawant, founder of Samdhan, used to work at a residential school for specially abled in Mumbai. While working in Mumbai, he always used to compare the facilities in Mumbai with the scale of the facilities available in the rural areas. He took the bold decision of quitting his job one day to make a difference and improve the facilities available for intellectually challenged children in the rural areas. In the year 2015 he started 'Sahawas Bahuddeshiya Sanstha' a residential facility with the help of few of his local friends from Sonbardi.

One of the philanthropic persons, from his village, made his premises available for starting residential school on nominal rent. Today he has 20 intellectually disabled children from poor families from nearby area. Most of the parents are daily wages workers and cannot afford to pay any amount of fee for their children.

Against all the odds, Mr. Samadhan Sawant & his team have managed to survive for 4 years. Sahawas has a waitlist of 25 more children wanting to get admitted. One of the donors donated 1 acre of land to Sahawas. Mr. Samadhan Sawant & his team have a plan of constructing their own building on the same

plot to take care of 50 specially abled adult/ children.

ग्रामीण भागातील मतिमंद मुलांचा आधारस्तंभ

मतिमंदत्व म्हटलं कि परावलंबन हे आलं, मग ते शारीरिक, मानसिक आणि काहीवेळा आर्थिकही असू शकत. हि परिस्थिती जर ग्रामीण भागातील अठरा विश्व दारिद्र्य असणाऱ्या ग्रामीण भागातील मोलमजुरी करणाऱ्या किंवा गरीब शेतकऱ्यांच्या पोटी जर असे मतिमंद बाळ जन्माला आले तर कल्पना देखील करवत नाही. शेतात मोल मजुरी करणारा पालक आपल्या मुलाला सांभाळू शकत नाही. निवासी ठेवायला पैसे नाहीत, मग अशात कुठे निरनिराळ्या चिकित्सा आणि विशेष शिक्षक ठेवणार? मग फिरतात मुलं बस स्टॉप आणि रानावनात. काही माणुसकी शून्य लोकांच्या गंमतीचा विषय बनतात. ग्रामीण भागातील हीच वास्तविकता आहे.

हा सर्व प्रत्यक्ष जवळून आलेला अनुभव पाहून, आतला खरा माणूस थांबणार कसा? या मुलांसाठी काम करण्याचा माझा निर्णय ठाम झाला. ज्या वयात मुलं नोकरीसाठी धडपड करतात त्या वयात मी नोकरीचा राजीनामा दिला. नातेवाईकांनी वेड्यात काढलं, घरातील मंडळीही माझ्या निर्णयावर काही विशेष खुश नव्हती. पण माझ्या आत असलेलं सामाजिक कार्याचे भूत मला शांत स्वस्थ बसू देत नव्हतं, गरीब पालक वर्गाचा शोध सुरू केला.

काही मुलं अनाथ तर काही खूप गरीब ज्यांना खऱ्या अर्थाने गरज आहे अशी जवळ जवळ ५९ मुलं मिळाली.

असं म्हणतात आपण करीत असलेल्या कार्याची दखल भगवंत घेत असतो, हेतू शुद्ध असेल आणि कार्य प्रामाणिक असेल तर कुठल्या ना कुठल्या मार्गाने देव धावून येतो. १७ वर्ष बंद अवस्थेत असलेली हॉटेल ची इमारत आम्हाला वापरण्यासाठी एका सज्जन माणसाने देऊ केली. दुरुस्ती करून त्यात मुलांना त्यांचं हक्कच घर मिळाल. ग्रामीण भागात कोणीही मदतीला पुढे आलं नाही. मुंबई ते जळगाव महिन्यातून ४ फेऱ्या होत असतात. सकाळी उठल्यापासून तर रात्री झोपे पर्यंत लागणाऱ्या सर्व जीवनावश्यक वस्तू आजही मुंबई भागातील दात्यांमुळे शक्य होत आहे. आज "सहवास" ला ४ वर्ष झालीत. एक एकर जमीन या मुलांच्या निवासासाठी दैवी माणसाच्या मदतीने बहाल झाली. पण निधी अभावी बांधकाम करता आलं नाही. खूप अडचणी आल्या पण निस्वार्थ कामाला देव पाठीशी असतो आणि तोच मार्ग दाखवत असतो.

आदरणीय विश्वासजी गोरे सर (अध्यक्ष, आधार, मुंबई) गेल्या २ वर्षांपासून आमची धडपड आणि

प्रामाणिकपणा पाहत होते. श्री. विश्वास गोरे सर आणि विश्वस्त यांनी "सहवास"चे कार्य, ग्रामीण भागातील पालकांची हतबलता आणि विशेष मुलांची दयनीय अवस्था याची प्रत्यक्ष भेट देऊन पडताळणी केली. सहवास ला संयुक्तपणे आधारची साथ मिळाली. ग्रामीण भागातील मतिमंद मुलांच्या चेहेऱ्यावर आनंद निर्माण झाला. सहवास ला खऱ्या अर्थाने आधार मिळाला.

आज "सहवास" मध्ये २० निवासी मूल आहेत. रस्त्यावर, बस स्टॉप वर फिरणाऱ्या मतिमंद मुलांना आधाररूपी आधार मिळाल्याने त्यांच्या चेहेऱ्यावर आनंद निर्माण झाला. त्या मुलांवर होणारा खर्च आधारच्या मदतीने होतोय, इतकच नाही या मुलांना व्यावसायिक शिक्षण देण्यासाठी आधारने व्यावसायिक युनिट सहसवास मध्ये सुरू करून मुलांमध्ये नव्याने उत्साह आणि चेतना निर्माण केली आहे. आधार संस्था खऱ्या अर्थाने ग्रामीण भागातील गरीब मतिमंद मुलांसाठी दैवी रूपी उभी आहे. याचा मनस्वी आनंद होतो. आधारस्तंभ असलेल्या आधार ला नतमस्तक.

CHAIRMAN'S DESK

Dear Readers,

Greetings!

Allow me to take this opportunity to express my appreciation for the interest you continue to show towards Adhar. Adhar is a pioneer institution in the field of residential care for intellectually disabled adults. The institution was incorporated with the objective to support people with intellectual disabilities and parents of such special people. As a first step, we decided to start a lifelong residential institution to take care of intellectually disabled adults & provide relief to their parents from their day to day struggling. The success of Adhar is based on continuous development, improving care services with innovative ideas, increasing capacity by upgrading infrastructure. The first facility was started at Badlapur with 10 intellectually disabled adults. Today it has increased to 335 under its care at Badlapur & Nashik. In recent years Adhar has earned a status of 'Role Model' in the area of residential care of intellectually disabled adults. We are the biggest institution in India and have become 'Thought Leader' in the field of intellectual disability.

With all this experience of 25 years, now the Trustees have decided to expand our activities differently. I am delighted to share with you the 3 projects which Adhar wishes to pursue in the near future as a part of its expansion activities.

1. Home for Senior Parents of Intellectually Disabled Persons:

Adhar has always been an institution of the parents of the intellectually disabled. It is an association 'for the parents, by the parents & of the parents of intellectually disabled'. In the year 1994, Adhar started a residential facility for the lifelong care of intellectual adults. The idea was to take lifetime care of special ones and provide relief to the parents from their daily struggling at home. It was sharing their responsibilities so that parents can live normal life, work & contribute in their respective fields as Adhar will take care of their special child and provide conducive environment to the specially abled adults.

The circumstances have changed right now, the parents have become old and they need support for their daily routine. However, their child is intellectually disabled and under the care of Adhar. There is nobody to look after them. Adhar has decided to start "Home for Senior Parents of Intellectually Disabled Persons" at Nashik to resolve this plight.

2. Extending Support to the institutions fighting for survival in Rural Area -

- a. Sahawas Bahuuddeshiya Sanstha, Sonbardi, Jalgaon
- b. Dnyanprabodhan Matimand Niwasi Vidyalay, Korti, Solapur

As mentioned earlier, we have continuously increased the number of special ones under our care at Badlapur & Nashik. Adhar model is for the benefit of the middle & upper middle-class category of the society. Adhar charges subsidised fees and parents need to pay their contribution per month. Lower middle class or poor parents cannot afford to pay the subsidised fees also. Hence, such parents cannot admit their child at Adhar. We always wanted to extend our services to all the categories of society.

We are extremely happy to inform that we plan to support two such institutions who are taking care of special children of poor parents from rural areas. Adhar will help

these institutions to achieve sustainable growth & scale up their activities. These 2 institutions will progress fast under Adhar's umbrella. With this collaboration, Adhar will get the opportunity to reach out to 50 Poor Parents from the rural area. We also wish to increase the number in the near future.

Adhar has received tremendous help & support from all parts of the society for its projects. All the milestones which we have achieved are the result of unconditional love, affection & trust of the wellwishers of Adhar. Adhar will need your support for all the 3 projects mentioned above. I always believe that for honest & transparent work funding is never a problem. I am confident that you all will come forward & support Adhar to make these projects successful. As we share the journey in the future, we rededicate ourselves to uphold the trust reposed in us.

Happy Independence Day...!!!

EDITORIAL

Dear Readers,

Last year, Adhar crossed a major milestone of completing 25 years. As we go ahead, not only do we have to be ready for the next 25 years but also look at various ways and means to make sure that a greater number of people experience the Adhar touch.

What really is the Adhar touch? Adhar in Marathi means to support with love and compassion. We currently support over 350 specially abled children. We not only take lifelong care of them but also relieve the burden on their parents and families. This enables the families to contribute to the society and be productive.

This concept of complete support needs to be spread far and wide. In the inside pages, you will read in detail about the expansion plans of Adhar in the coming years. Adhar in its thinking and planning is truly becoming an institution which not only sets high standards in providing world class care to its residents but also willing to support other institutions which are in the same area of work.

The institutions with whom the arrangements and the support parameters have been fixed are Sahawas Bahuddeshiya Sanstha in Jalgaon and the Dnyanprabo-

dhan Matimand Niwasi Vidyalay, Solapur. You can read more about the wonderful work being done by these institutions in the inside pages. This arrangement will help increase Adhar's reach and the number of families supported to 450 in quick time. It will also not cause much stress and financial burden as we will not have to spend money on creating new infrastructure and on recruiting and training more staff. These tie-ups will give Adhar the benefit of reaching to different strata of society, different age groups and in different areas.

At the inception stage, Adhar had a dream of supporting parents of specially abled children by providing lifelong care to the special children. As years have gone by, our parents are themselves in need of support and assistance. Due to advancing age and also due to their retirements, they would prefer to spend their maximum time with their children at Adhar. We are hence planning to open a Adhar Parents Old Age Home. This will be located near our Nashik center and will give the parents of our specially abled children the opportunity to be with their kids at Adhar. We hope this project gets the support of the parents and donors and will truly complete a virtuous circle of providing complete support and care for the children and their parents. A truly remarkable achievement.

Adhar is truly going places with its expanding reach and support program. As that may be, fact is that we are still an NGO with limited resources, in fact our deficit elimination dream is still a work in progress and will require sustained focus over the next many years. The last year was an excellent milestone in many years. We succeeded in achieving our target of the highest ever donations and we hope that we can keep up the tempo. This collection was achieved with a huge effort and help from all our parents. None of this would have been possible without the support of the parents. We continue to bank on your goodwill and the shared vision of making Adhar "Deficit free" in the near future.

Based on the response received last year, we have lined up a series of events that will help us generate donations. We have lined up 2 musical programs, one in Badlapur and

1 in Nasik, a symposium like last year and institutionalizing the NGO meet at Adhar. The details of the events planned will be shared in subsequent communication. Our participation in the TATA Mumbai marathon will be larger and grander this year and we look forward to many more donors coming forward to help us in this year's run.

We are also pleased to share with you that the workshop activities have been revamped with more number of products and activities. New items like note pads, clipboards, paper-machie Ganpati Idols, etc. have been started. In fact, our activity of making newspaper bags for the shops in Badlapur has received excellent response and we are flooded with orders. We have also started a campaign to collect old newspapers for the same and the response is very encouraging. These activities are designed to keep our residents occupied and to make them feel good by contributing to the society. We hope and trust that the Society will continue to support us and our children by purchasing these items from our workshop.

We look forward to all your support and encouragement that will help us in meeting our objective of making Adhar "Deficit free" this year and every year.

Warm Regards,

Arun Wadhwa

A Special Classroom for special Children

After shifting my residence to Adhar, I thought of running a class room for the children who are able to read and write. This I conveyed to Mr. Ganesh Ambekar, Project Head, who welcomed my idea and provided a magnetic white board, writing pen, duster and other stationeries as per my request.

The class was started in the month of July 2018. In the initial stage there were only 12 to 15 children in the class. This year there are nearly 30 children. I hope the strength should increase to 50 at least. Children do not come to the class voluntarily. I have to go to each dormitory and identify the children who are able to read and write and persuade them to attend the class.

The specialty of our class is children of all age group and different I.O. level sit in the same classroom. They are categorized into pre primary and primary level. Pre-primary level children are taught alphabets and

numbers. In primary level we teach simple addition, subtraction, multiplication and division, telling time from the clock, identify small and big numbers in maths. In English words, simple sentences, fill in the blanks, match the pairs and in general knowledge, general topics are taught.

It is not easy to teach these children, since all children cannot write English. Some of them write Hindi while some of them write Marathi. Therefore we have to write in all three languages to make them understand better. Some children are interested only in coloring in the printed drawing book. Workshop teachers Mrs. Smita S. Pitale, Mrs. Tejaswini S. Mate and Mr. Lata P. Misal have undertaken the work of guiding them in choosing colors and colour the pictures properly. Mr. Sanjay A. Dhamankar who is good in drawing helps us in Drawing objects on the board and asks the children to draw the same in their notebooks and write the

name below each object while teaching English. Mr. Kaluram B. Madhe do the writing work on the board in Maths, English, Hindi or Marathi and G. K. as per my suggestion and advice. We correct the answers and make them understand their mistakes and correct the same. We also make them write the answers on the board which they are happy to do. Children who are not able to copy from board are helped by teachers.

Last year we kept tests in Maths, English, G. K., Drawing and colorings. The test papers were examined by Mr. Yogesh L. Rane, Workshop In-charge and given marks. Most of the students passed the test. As per the time table we teach English and Maths twice in a week and G. K. one in a week. The class is conducted from 4.30 p.m. to 5 p. m. We get only half an hour to teach that too only five days in a week. Some children do not attend the class regularly. We kept one attendance register and Pitale Madam used to mark the attendance. I told the children those who have maximum attendance would be awarded prizes. There was good response for this.

Mrs. Rupal Madam, clinical psychologist donated some educational kits to the class. We find them very useful. We utilized most of them. For making learning more interesting and effective, we have to adapt play way method. For this we need big charts of fruits, Vegetables, flowers, animals, birds, insects, reptiles, vehicles, story charts, sea-shore, railway station, busy road for picture reading. We also require G. K. books, text books of std 1st to 4th of Hindi, Marathi, English and Pre-primary books. Recently, Ryan's mother brought some books for the class which are very useful. The parents are welcome to donate note books, pencils, text books, alphabet and number books etc; which would help our children.

भगवान के घर देर है अंधेर नहीं है

बचपन से सुनती आ रही हू कि,
भगवान के घर देर है, अंधेर नहीं है।
जैसी उम्र बढ़ती गयी,
इतनी मुसीबते आने लगी कि लगने लगा,
भगवान के घर देर नहीं सिर्फ अंधेरा है।

कुछ साल बीत गये,
मुसीबते इतनी बढ़ गयी कि लगने लगा,
भगवान भी है कि नहीं।

फिर उम्मीद कि एक किरण नजर आई,
मुसीबते कम होने लगी,
बहुत बड़ी उलझन सुलझ गयी और
फिर विश्वास हो गया की
भगवान के घर देर है अंधेर नहीं है।

HOW CAN ONE SUPPORT ADHAR?

ADHAR is run through Parent's contribution and it does not get any government aid or grant. The trustees managing the organisation are also Parents of Special Children and hence it is the most transparently managed institution with the best facilities for the special children. ADHAR is probably the only Association of Parents which subsidises the Monthly Maintenance Cost for the parents by collecting donations from society.

Current State

Diminishing Financial Capability of Parents coupled with ever increasing care services cost has started disturbing the balance of ADHAR'S Model of Revenues and Expenditure.

● Parent's Contribution ● Donation

Expected Future State

Hence ADHAR needs continuous financial support to deliver on its promise of lifelong care for the specially abled. Donors can help by contributing through various plans that are listed below.

Dnyanprabodhan Matimand Niwasi Vidyalay, Solapur

Intellectual disability is among the most neglected disability. In rural areas, the situation is made more worse due to the lack of knowledge about the condition and the many misbeliefs that surround the same. Mrs. Bagade experienced a few such incidents and was touched by the lack of facilities for these children. She was disturbed by the lack of awareness and support for these unfortunate children in the villages. She decided to create a residential facility for these children where the children will be provided with training and education relevant with their IQ. She did a survey of nearby villages & found that about 150 -200 poor families have an intellectually disabled child. In the year 2011 she started the facility for intellectually disabled children (between 6-18 years). Presently Dnyanprabodhan is taking care 25 intellectually disabled children from poor families. "आधार" एक संजीवनी

"आधार" ह्या शब्दातच एक समाधान आणि संरक्षण दडलेलं आहे आणि त्याच समाधान आणि संरक्षणाची भिंत आज आधारने ज्ञानप्रबोधनच्या भोवती रोवली आहे. सांगायचं झालं तर एक किस्सा असा सांगावासा वाटतो की आधार या संस्थेचे संस्थापक अध्यक्ष श्री. विश्वास गोरे सर यांची आणि माझी पहिली भेट फेसबुक या सोशल मीडियाच्या माध्यमातून झाली. माणसाने किती नम्र आणि आदरयुक्त असावं याच जिवंत उदाहरण म्हणजे श्री. विश्वास गोरे सर त्याच प्रमुख कारण म्हणजे मी जेव्हा फेसबुकच्या माध्यमातून मेसेज करून जेव्हा त्यांना भेटण्याची इच्छा दर्शवली त्यावेळी पुढच्या क्षणीच सरांकडून एक मेसेज आला तो होता त्यात त्यांचा संपूर्ण पत्ता आणि संपर्क क्रमांक होता आणि खाली एक वाक्य लिहिलं होत ते म्हणजे... "फोन करून कधीही ये बेटा".

त्यावेळेस हा माणूस आभाळाहून मोठा वाटला मला. मला पण ही सोनेरी संधी दवडायची नव्हती म्हणून मी ही त्यांना भेटण्यास पोहोचलो आणि त्या भेटीतच मी सरांचा फॅन झालो...!!

ज्ञानप्रबोधनचं संपूर्ण काम सरांनी शांतपणे समजून घेतल्यानंतर ते म्हणाले, "रोहित मी एकदा नक्कीच ज्ञानप्रबोधन ला येईन" पण त्याआधी तू नक्कीच "आधार" ला भेट दे. मी ही वेळ न जाऊ देता भेटीच्या दुसऱ्याच दिवशी "आधार" ला भेट द्यायला निघालो. जे दैवी कार्य फक्त फोटोतच पहावयास मिळायचं ते आज प्रत्यक्षात बघायला मिळतंय याचा आनंद काही वेगळाच होता. त्यादिवशी आधार माझ्या डोळ्यात नाही मावलं तर या शब्दात काय मावणार...?

इतकंच ह्या क्षणी जाणवतंय... विशेष मुलांसाठी एक संजीवनी असलेले हे सेवाकार्य समजून घ्यायचं असेल तर एकदा "आधार" ला जाऊन यावं, तो एक स्वर्ग आहे इतकंच म्हणून मी....!!

त्या भेटीनंतर काही दिवसातच आपल्या ज्ञानप्रबोधन या २५ विशेष मुलांसाठी ग्रामीण भागात कार्य करणाऱ्या संस्थेला "आधार" ची टीम तब्बल ३५० किमी प्रवासाचा टप्पा पार करून भेटण्यास आले.

ज्ञानप्रबोधनला आल्यानंतर आणि आजूबाजूचा परिसर पाहिल्यानंतर तसेच प्रकल्प चालवित असताना येणाऱ्या अडी-अडचणींचा आढावा घेतल्यानंतर त्यावेळी ते इतकंच म्हणाले...

"रोहित "आधार" चा "आधार" तुला यापुढे नक्कीच राहील" आणि त्या भेटीनंतर अगदी सात दिवसांच्या आतच त्यांनी आपल्या चिमुकल्यांना एक नवसंजीवनी दिली आहे तीही तात्पुरती नसून कायम स्वरूपाची आहे इतकंच ह्या माध्यमातून सांगेन....!!

"आधार" च्या छत्रछायेत आलेलं "ज्ञानप्रबोधन" आणि त्यातली ही निरागस लेकरं आणि स्वतः मी कायम आपला ऋणी राहीन....!!

"आधार" च्या ह्या सेवाकार्याला ह्या छोट्या कार्यकर्त्यांकडून मनापासून शुभेच्छा....!!
