## Editorial

Dear Readers,

Adhar has blossomed from a 25 resident institution to a thriving 355 resident institution. This expansion has happened consistently and steadily over the past 30+ years of providing 24x7 residential care to the intellectually challenged. This growth has been sustained successfully because of the strong foundation laid by our founder Shri M. G. Gore. There is so much to share about him that the current issue will feel small. For parents, he was nothing less than an angel sent by GOD on earth. His compassion and empathy towards the cause of caring for the

intellectually challenged was legendary and his character and discipline motivated all around him – both staff, and parents. Whenever a new path is to be created or a new idea is to be tried out, it requires great courage and vision. Shri M G Gore had both in abundance, his “Can Do” spirit made all problems look small and his positive attitude gave the parents the confidence that their children will be well looked after at Adhar. It also gave them the confidence that Adhar will outlive them and will evolve to take lifelong care of their special children. People who have worked with him and have observed him closely speak about his faith and resolve in the goodness of people. I remember many instances which illustrate this – when we used to make greeting cards and sell them for generating donations, we used to wonder who will buy them. His counter – why wouldn't they buy; it is from Adhar. This kind of leadership ensured that the team of staff and parents never lost hope and never

stopped believing in the idea of Adhar. This year is his birth centenary, and we should all consider ourselves blessed and fortunate to have met a great person like him. His son, our current chairman, Shri Vishwas Gore has also inherited this quality of always being positive and visionary in his long-term view of Adhar. This has been a critical factor in ensuring that the growth and development of Adhar hasn't stalled. As we look forward to the future, our actions and our deeds should all be in the singular direction of helping the cause of the intellectually challenged. Whether it is in setting up facilities or sharing our experience with upcoming institutes or in helping create a formidable and sensitive workforce to meet the needs of the intellectually challenged. All our actions in the present and in the future should be guided and inspired by Shri M. G Gore. We should strive to make him proud and conduct ourselves as per his high ideals.

## आधार गीत

कवि : संतोष जगताप

(चाल: हा देश माझा याचे भान राहु द्या रे )

हा आधार माझा, याचे पावित्र्य राहु द्या रे...  
हा ऊंच आधार माझा, हा प्रगतिचा वटवृक्ष माझा  
हा हिरव्यागार झाडांचा, वेलीचा, फुलांचा  
बाग बगिच्या मधला आधार माझा

आधार विशेष मुलांची भाषा बोलतो  
सर्वांची नजर अम्हाकडे वळवितो  
या गोजिरवाण्या विशेष मुलांच्या सेवेने  
आपली छाती बहु फुलू द्या रे

हे हात आतुरलेले, विशेष मुलांच्या सेवेला  
सर्वाची शक्ति लागु दे कार्याला, आधाराच्या प्रगतिला  
हे बंद करा तू-तू मैं-मैं  
अहंकार अपुला संपवु या रे

तुमचे जीवन व्यर्थ न जावो,  
सेवेला तुमच्या अर्थ येऊ द्या रे  
हा आधार माझा, याचे पावित्र्य राहु द्या रे
