Issue-6 / October 2023 to March 2024

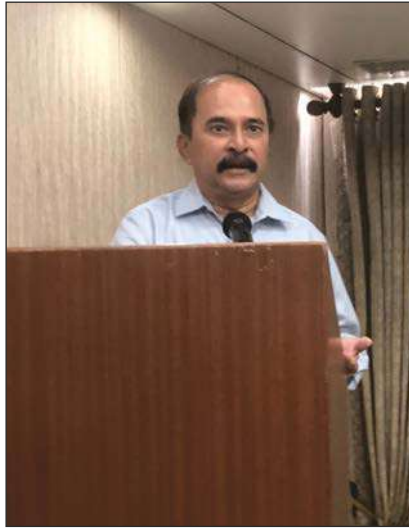

Inauguration of Adhar-III at Harpalwadi, Satara

Honor to Mr. Vishwas Gore by Rotary Club of Mumbai Downtown

In the heart of Mumbai, amidst the bustling streets of South Mumbai, a story of compassion and empowerment unfolded. Rotary Club of Mumbai Downtown Sealand celebrated a remarkable evening, recognizing the unwavering dedication of Mr. Vishwas Gore, Chairman of Adhar, in championing lifelong support for differently-abled adults.

As Mr. Gore took the stage, his words echoed with passion and purpose, weaving a tale of resilience and hope. His profound commitment to Adhar's cause garnered a heartfelt standing ovation, a testament to the impact of his tireless efforts. Surrounded by esteemed delegates, including Mr. Waijahat Kaladia, Secretary, Mrs. Bimal Malhotra, President, and Mrs. Jyoti Tanna, Founder/Chairperson of Each One Teach One Charitable Foundation, Mr. Sawant, President-Elect, Mrs. Sugra and Mr. Punit Vakil AG, the evening shimmered with inspiration.

The promise of future collaboration was sealed with President Malhotra's vow to visit Adhar Badlapur, igniting anticipation and excitement. Witnessing the scale of Adhar's present impact left all in awe, reaffirming the power of unity and compassion in creating meaningful change.

Parents meet at Sangli

Samvedana School working for intellectually disabled in Sangli organised "Anand Mela" for special children from all institutions in Sangli District every year. They are arranging fun games, dance, music & food for the special ones in Sangli.

Post Anand Mela Chairman, Shri Vishwas Gore, Special Guest of the event, engaged in profound discussions with parents of specially-

abled children. Recognizing the need for a permanent residence, he aims to create a space fostering social connections and happiness, alleviating parents' concerns about their children's future.

Around 50-60 parents of special children attended this meeting. Mr. Vishwas Gore gave pertinent answers to all their questions and convinced them that there is no need to

worry about the future of their children if they are placed in a good institution and they get the satisfaction of entrusting their child in safe hands right before their eyes. He also said that all parents must visit any Adhar project by giving information about the Adhar project starting in Satara so that many social misconceptions in their minds can be removed.

Chairman's Desk

Dear Adhar Parivaar,

I'm absolutely thrilled to share some wonderful news with all of you! We've just opened the doors to Adhar III Satara, and it's a momentous occasion for us, especially because it aligns with the Birth Centenary year of our founder, Late

Mr. M.G. Gore. It fills our hearts with immense joy and pride.

At Adhar, we strongly believe that being in a caring environment in the institution is better than being alone at home. That's why we're so passionate about providing top-notch care and support. And now, we're excited to extend this commitment to the beautiful city of Satara.

The inauguration of Adhar III Satara isn't just about a new building; it's about reaffirming our promise to serve our community with love, compassion, and excellence. It's about creating a home away from home, where everyone feels valued, cherished, and cared for.

However, here's where we need your help! We can't do this alone. We need each and every one of you to spread the word about our new project in Satara. Your support is incredibly valuable to us, and together, we can make a real difference in the lives of those we care for.

Thank you from the bottom of our hearts for being a part of the Adhar family. Your support means everything to us, and we're so grateful to have you with us on this journey.

With warmest regards,

- Vishwas Gore
Chairman

Editorial

Dear Readers,

Many landmark events and achievements have happened in the past 6 months and I am very happy to bring you this issue. Adhar has made great strides in its mission to provide lifelong care to specially abled children. It also created many records at the recently concluded Tata Mumbai Marathon. The visits of many prominent personalities increased the "Friends of Adhar"

family. Adhar has a commitment to provide lifelong care for the specially abled children. Though we are arguably the largest such institution in India, cumulatively we are able to take care of a very small percentage of such specially abled children. We are of the firm belief that Adhar needs to expand its capacity to provide relief to many more parents of specially abled children. One step towards this goal was the inauguration of our new facility at Satara. At full capacity, it will be able to provide care and support to another 150 children. This facility is the first where we got an opportunity to design and execute the complete project at one go.

This has ensured a state-of-art infrastructure with the best caregivers all working towards providing excellent care for our specially abled

children. This also gives us an opportunity to use our learnings from existing facilities to make sure the standard of childcare here in Satara is top notch.

We are also focussing on improving the current infrastructure at Badlapur and Nashik especially renewal of existing dormitories. Our focus on tapping CSR spends of companies, outreach to newer sponsors and donors continues and we are expanding the marketing team by adding new team members. Dear readers, as we move ahead, we have to focus our energies and utilize our contacts to reach out to more friends and donors which will help Adhar grow stronger and larger so that we can benefit many more parents of specially abled children.

Adhar@TMM ... The Dream Run continues over the past five years

Our ADHAR, India's largest NGO working towards providing permanent residential services to intellectually challenged adults, has been awarded the “Highest fundraising NGO in the Disability Cause” category at the Tata Mumbai Marathon 2024 & also at the Tata Mumbai Marathon 2023 – two years in a row!

Huge salute to the entire Team of ADHAR, our Corporate Supporters, our Parents Fundraisers, our Runner Supporters, our Well Wishers & Friends of ADHAR.

At Adhar, we believe that every person, regardless of their ability, deserves to live a life of dignity, respect, and independence. We provide permanent residential services for intellectually

challenged adults and strive to create a supportive and nurturing environment where they can thrive and lead fulfilling lives. With over 350 adults and more than 270 attending staff, we are proud to be India's largest NGO working towards this noble cause. And, with our newly recently inaugurated facility at Satara for an additional 125 adults, we
