Chairman's Message

Dear Adhar Parivar,

Wishing you all a Happy Diwali and a Prosperous New Year!

As we enter this festive season, I take this opportunity to share some important developments, heartfelt gratitude, and exciting news from Adhar.

Induction of Ms. Sharayu Samarth as Trustee of Adhar

I am proud and extremely happy to announce the induction of Ms. Sharayu Samarth as a Trustee of Adhar. This is a well-deserved recognition and appreciation for her dedicated service and unwavering commitment in helping build our Adhar Institution.

I warmly congratulate her and wish all the best as she takes on this new role as Trustee.

Transforming Our Badlapur Unit

I'm delighted to share a major initiative aimed at completely revamping the Badlapur Unit.

In a recent and meaningful discussion with Mr. Nayan Dalal and Mrs. Bindu Dalal of The Dalal Family Foundation, we shared our vision of enhancing the campus infrastructure. We highlighted the urgent need for a dedicated laundry unit to maintain hygiene for daily clothes, bed sheets, towels, etc., as well as the need for a central store, visitor rooms, and overall beautification of the campus.

To our immense joy, The Dalal Family Foundation has graciously agreed to support all our proposed requirements and has further suggested establishing a state-of-the-art laundry facility. Their generous contribution will enable us to transform the Badlapur campus and significantly uplift the living

conditions of our special residents.

We are truly grateful to The Dalal Family Foundation for partnering with us in our mission and supporting our dream of creating a world-class facility for our special friends.

'Madhavrao Gore Seva Gaurav Award - 2025' – 7th December 2025

We are happy to announce that the 2nd Madhavrao Gore Seva Gaurav Award will be conferred on Sunday, 7th December 2025 at Kohinoor Hall, Dadar (E), Mumbai

We thank all the institutions who have sent their nominations. Four institutions have been shortlisted, and the final selection process is underway. Please mark your calendars for this important and inspiring event.

Tata Mumbai Marathon 2026 – Join the Movement

We are incredibly grateful for the continued support of our corporate partners. A total of nine companies have registered to support Adhar for TMM 2026, and we are especially pleased to welcome our new partner Godrej & Boyce Manufacturing Company Ltd. We sincerely thank them for joining hands with us.

Our Trustees, staff, and parents have created individual pledge pages to raise funds through the TMM platform. While corporate participation has been heartening, we are still short of our fundraising target.

I appeal to all our well-wishers, donors, and parents to support these pledge pages. Every contribution no matter the size goes directly toward enhancing the quality of life and well-being of our special residents at Adhar. Your faith, love, and support inspire us every day to build a more dignified world for our special adults. Together, we're not just running a home we're shaping a movement that transforms lives. Thank you for your support.

**Warm regards,
Vishwas Gore**

Editorial

Dear Readers,

As another quarter unfolds at Adhar, we find ourselves in a phase of renewed purpose one that balances building for the future with deepening the roots of care and compassion that define who we are. Each initiative we take be it construction, outreach, or collaboration echoes our enduring commitment to the welfare of every individual under Adhar's care.

This quarter marks a significant milestone as work has commenced on the reconstruction of our dormitories. This project stands as a symbol of progress and perseverance. It is not merely about erecting walls and roofs but about creating spaces that embody comfort, safety, and dignity. Every detail from accessibility features to the layout of living areas has been thoughtfully designed to enhance the quality of life for both our residents and caregivers. The foundation being laid today will serve as a nurturing home for many years to come.

Alongside the infrastructure work, Adhar has also turned its attention to improving the surrounding environment. Landscaping and beautification efforts are underway, transforming our premises into greener, more inviting spaces. We believe that nature plays a vital role in emotional healing, and these enhancements will bring calm, colour, and cheer to everyday life at Adhar. The past months have also seen a steady flow of donor visits from individuals, families, and corporate groups each bringing encouragement, ideas, and invaluable support. These interactions reaffirm our belief that the Adhar community extends far beyond our physical campuses. Every visit strengthens our collective mission and deepens the relationship between our supporters and our residents.

In parallel, we have intensified our parent outreach

programs across Mumbai, Pune, Nashik, Satara, and neighbouring regions. These sessions aim to spread awareness about Adhar's work and connect with families seeking reliable, compassionate care for their loved ones. The response has been positive, particularly as we prepare to welcome more residents at our upcoming Satara centre a key step in expanding our services and reach.

Looking ahead, all eyes are on the Tata Mumbai Marathon (TMM) a flagship event that continues to be one of our most impactful fundraising platforms. Efforts are already in motion to maximize participation and contribution. Our teams are engaging proactively with corporate partners, individual donors, and well-wishers, and the early momentum is both promising and energizing. We are hopeful that this year will surpass previous achievements, allowing us to channel even greater resources toward our infrastructure and care programs. Every stone laid, every garden planted, every donor inspired, and every family reached reflects our enduring belief that progress is most meaningful when it uplifts lives. As we move forward, we carry with us a quiet optimism and a steadfast resolve to keep improving, expanding, and dreaming for the sake of those whose smiles make every effort worthwhile.
